PRICE-\$1.00 A YEAR, IN ADVANCE.

POINT PLEASANT, WEST VIRGINIA

JUNE 13, 1894,

The McKinley Panic.

Senator Mills insists that the Mc-1891 the crops were 600 to 800 million dollars more valuable than the crops of 1890. The crop of 1892 was worth \$200,000,000 less than the crop of 1891. The crop of 1893 by George Washington Tippett. There is but one Tippett and time the crop of 1892. When the conditions were ripe for the culminaditions were ripe for the culminaditions were ripe for the culminaditions. ditions were ripe for the culmination of the plan of "Protection for the sake of Protection" raw sugar was put on the free list, the Sugar was put on the free list, the Sugar Trust was given \$20,000,000 worth of "protection" annually and the sugar planters \$10,000,000 of bounty, and the 'Treasury was thrust so deep in the mire of a losing silver speculation as to shake the credit of the Government. All this is history. The Democratic party came into power just at the critical moment of the break-down of Republican policies; and the attempt has been made to put upon the Democratic editor receives as he general opinion seems to be that Saltan Abdal Aziz will have to defend his throme with the sword. The Pall Mall Gazette Treesday after too, referring to the jealousy of the owners in regard to Morocco, says that the damger to European péace is due to the fact that M. Dupuy is premier and fall the may take this opportunity of striking a blow at English prestige. It is added that a policy of aggression would presented \$0,000 mines, adopted a resolution "standing firmly for striking a blow at English prestige. It is added that a policy of aggression would be popular in France and Spain, which the sword is added that a policy of aggression would certainly be satisfied with a dual control of Morocco, excluding England from having any voice in the able at many the this opportunity of striking a blow at English prestige. It is added that a policy of aggression would certainly be satisfied with a dual control of Morocco, excluding the human race he must have necessarily committed in that time, the human from having any voice in the able to make the prehead that a civil war will be the don't have to. The punishment and benefit that he may take this opportunity of striking a blow at English prestige. It is added that a policy of aggression would be provided in the striking and the strength of the form of the comprounce of the fact that M. Dupuy is premier and for a striking a blow at English prestige. It is added that a civ eratic Administration the responsi. longer .- Gallipolis Journal. bility for disaster which it had no share in causing. The repeal of the ability to cope with necessary ex- the rich as well as the poor. penditure by the passage of the Tariff bill. Every day lost is a waste of business opportunity and of political opportunity.

Coxeyism. Republican press has set out upon a line of argument which will take it all summer to bring to a cogent conclusion. It is trying to shoulder Coxeyism upon the Demacratic party. Lord! The mission of the Democratic party bas always been to give every man an opportunity to take care of himself. It believes that when every man has a fair opportunity he can take care of himself, and that that Government is best which governs least. This is precisely the opposite of the "gen eral welfare" ideas of the parties to Coxey. They insist that it is cents less than they demanded. from the time of the Adamses down addled brains of Coxey and his fol-

every question before the people, and never can be united on either above.

Also that a miner may be placed on the tariff or silver. The tariff question will be virtually settled before congress adjourns for the next few arbitration and concibation, consisting of four operators and four miners shall years, and the silver question will necessarily come to the front.

Many Republican statesmen and newspapers are turning their faces toward free coinage of silver. The West and South have united regardless of party to end the tariff fight, in order that silver may be pushed to the front, and the Republican politicians see that the West and South will elect the next President.

The people are a real to the distribution of the operators, J. S. Morton, H. L. Chapman, Francis L. Robbins, M. H. Taylor, J. Smith Talley, Waiter S. Bogle, A. L. Sweet and E. T. Bent.

There may be still some little trouble, as many miners will not accompled.

in the protective ranks.

The people are awakening to the resolution. realization that the East and England have controlled the commercial and financial policy of the country long enough. They will researt their prerocetive by elections. realization that the East and Enga President whose policy will be in harmony with the best interests of the whole country .- Portsmouth

best in some respects, the sectional charge that it has been framed in the interests of the South is utterly without warrant. No other refutational such time and place as those having authority way elect and said interests. without warrant. No other refutation of that false charge is needed than the sugar schedule, which proposes to repeal the bounty of two cents a pound on raw sugar and put on it a revenue duty of one cent a pound. Lumber, which is another important Southern product, has been put on the free list, in spite of the protests of some representatives of that region. The alarmists of sectionalism take especial care to avoid comparisons between the McKinley tariff and the duties proposed in the Senate bill. But Southbeen put on the free list, in spite of The Outcome of the Conference at Colum posed in the Senate bill. But South- regarded here as certain to bring about ern products have not been favored a settlement of the strike. The miners at the expense of other interest of at Farmersburg went to work Tuesday the country. If the duty on rice be still to high, it is lower, much lower, than the rate in the McKinley have been heard from. The mines at all the still to high the still to high the still to high the still the sti

To Physicians.

Advertisement for Bids for Poor

for the county, or for one or more Districts, will be received on or before the 2nd day of July, 1894, at 12 o'clock noon, at the office of the Clerk of the County Court. All bids must be in writing, sealed, and to be opened in the presence of the Court, stating the District, or Districts, bid for, and the amount for which the bidders will treet the representations. The new room has given it an impetuation of the petus that will let it roll merrily along, for it gives it force in the many good things that we will will treet the representation. will treat the paupers thereof with Medical and Surgical aid, and to furnish to them all necessary medicines for one year from July 2d, 1894. Bids from Robinson District to include the Infig. mary practice. The successful bidder for Robinson District and Infirmary will be required to visit the Infirmary once in each week. Bonds with good security will be required of each successful bidder. The Court reserves the right to reject any or all bids.
Teste: J. P. R. B. SMITH, Clerk.
